

Panhandle Families in Transition

Dear Families:

Due to COVID-19-related events, you and your children may have had a change in your housing situation to now experiencing housing instability. This may qualify your children for additional services through our McKinney-Vento program. Please let us know if you are:

- Sharing housing with others due to financial hardship.
- In a hotel or motel—No fixed/regular nighttime residence due to economic hardship
- At a shelter
- Staying in a trailer park, car, or campground, or abandoned building
- In transitional housing

If any of these describes your current situation, please reach out to Joe Webb via email at jwebb@panhandleschools.com or by phone at (217) 229-4215 ext. 1016.

We can assist with food, transportation, shelter, and school supplies.
